Description

Discover the white striped drainage filter pot made from WPC, an eco-friendly material that combines polypropylene and wood chips. This pot is perfect for those seeking a natural and modern touch in their home.

Recommended for both indoor and outdoor use, its elegant design fits any environment. With dimensions of Ø 390 x 463 mm and a capacity of 39.6 L, it is ideal for large plants.

Resistant to sun, rain, and cold exposure, it maintains its shape and color. Compatible with various plants, its drainage plug makes watering control easy. Decorate your home with style and sustainability!
