Description

The brass connector for steel pipes with a female thread of 1" provides an efficient solution for joining piping systems. Its brass construction offers corrosion resistance and ensures a long service life. It is compatible with steel pipes and is ideal for plumbing and hydraulic systems.

- Material: Brass
- Type: Female thread
- Size: 1"
- Use: Pipe connections
- Corrosion resistance
- Applications: Industrial and domestic
- Easy installation
- Guaranteed durability
- Compatibility: Steel pipes
- Robust design

Specifications

Colour	Latón
EAN	8435012442319
Manufacturer	SCOA
Material	Steel
Thread	1"
