Description

The 90 mm end cap is an efficient solution for closing fittings in piping systems. Designed for high durability and resistance, this product is compatible with various applications in the industrial and construction sectors. Its installation is straightforward, facilitating maintenance and adaptability to different environments.

- Material: durable plastic
- Diameter: 90 mm
- Registrable for easy access
- Compatible with standard fittings
- Corrosion-resistant
- Easy installation
- Use in water and drainage systems
- Guaranteed durability
- Effective sealing
- Industrial and construction applications

Specifications

EAN	8435080559902
Manufacturer	SCOA
