Description

The brass accessory for 32-1 plate elbow is designed to provide a secure and efficient connection in polyethylene systems. Its brass construction ensures corrosion resistance and a long lifespan. This product is perfect for plumbing applications and irrigation systems where a reliable joint is required.

- Material: Brass
- Type: Plate elbow
- Diameter: 32 mm
- Compatibility: Polyethylene
- Corrosion resistance
- Easy installation
- Use in plumbing and irrigation
- Guaranteed durability
- Secure connections
- Optimized technical design

Specifications

Colour	Latón
EAN	8435210761717
Manufacturer	SCOA
Material	Latón
