DIN 9021 WIDE WASHERS 16

Brand: SCOA

Reference: SCO 60867

DIN 9021 WIDE WASHERS 16 are essential components for load distribution in mechanical joints. Made from high-quality materials, they ensure durability and strength.

[View product online](#)**Description**

DIN 9021 WIDE WASHERS 16 are designed to provide even load distribution in mechanical applications. Their wide shape allows for a larger contact area, improving joint stability. They are ideal for use in machinery, metal structures, and construction projects.

- Material: Carbon steel
- Outer diameter: 16 mm
- Inner diameter: 10 mm
- Thickness: 2 mm
- Standard: DIN 9021
- Recommended use: Mechanical joints
- Corrosion resistance: High
- Compatibility: Standard screws and bolts
- Applications: Industry, construction, automotive
- Certification: ISO 9001
