DIN 9021 Wide Washers 20

Brand: SCOA

Reference: SCO 60869

DIN 9021 wide washers 20 are essential components for ensuring optimal fit in various mechanical applications. Their specific design allows for even load distribution, enhancing the durability of joints.

Description

DIN 9021 wide washers 20 are designed to provide robust and reliable support in industrial and construction applications. Their geometry allows for a larger contact surface, reducing the risk of loosening and improving joint stability. They are ideal for use in machinery assemblies, metal structures, and engineering projects.

- Material: Carbon steel
- Dimensions: 20 mm diameter
- Standard: DIN 9021
- Finish: Zinc-plated
- Usage: Indoor and outdoor
- Corrosion resistance: Moderate
- Compatibility: Screws and bolts of appropriate size
- Applications: Mechanical, construction, automotive
- Type: Wide
- Presentation: Pack of 100 units

Specifications

EAN	8435024121011
Manufacturer	SCOA
