Description

The 8x25 threaded round sleeve is designed to provide secure and efficient connections in industrial applications. Its robust construction ensures optimal performance under demanding conditions. It is compatible with various hydraulic and pneumatic systems, making it a versatile solution for industry professionals.

- Diameter: 8 mm
- Length: 25 mm
- Material: Stainless steel
- Pressure resistance: High
- Connections: Threaded
- Use: Hydraulic and pneumatic
- Compatibility: Various systems
- Applications: Industrial
- Certification: ISO
- Color: Silver

Specifications

EAN	8423533043405
Manufacturer	SCOA
