Description

The HSS DIN 338 drill bit of 14 mm with reduced shank is designed to deliver exceptional performance in drilling steel and metals. Made from high-speed steel, it ensures a long lifespan and excellent wear resistance. Compatible with standard drills, it is perfect for both industrial and DIY applications.

- Diameter: 14 mm
- Type: HSS DIN 338
- Shank: Reduced
- Material: High-speed steel
- Use: Drilling in steel and metals
- Durability: High wear resistance
- Compatibility: Standard drills
- Applications: Industrial and DIY
- Precision: High
- Design: Optimized for performance

Specifications

EAN	8435012442999
Manufacturer	SCOA
Material	Steel
