### Description

The HT2502AL warehouse trolley combines the durability of aluminum with the versatility of a pneumatic wheel, facilitating the transport of heavy loads. It is perfect for use in warehouses, factories, and construction sites, where a robust and lightweight tool is needed. Its design optimizes user effort and enhances work efficiency.

- Material: Aluminum
- Wheel: Pneumatic
- Load capacity: High
- Recommended use: Industrial and commercial
- Lightweight and durable
- Easy to maneuver
- Ergonomic design
- Compact dimensions
- Compatible with uneven terrains
- Minimal maintenance
