Description

This tungsten carbide percussion drill bit 10 x 200 mm is designed to deliver superior performance when drilling into hard materials. Its high-quality construction allows for increased durability and efficiency in work. It is suitable for use with percussion drills and is compatible with various industrial and construction applications.

- Diameter: 10 mm
- Total length: 200 mm
- Tungsten carbide tip
- Designed for drilling hard materials
- Compatible with percussion drills
- High durability
- Optimal performance
- Professional and industrial use
- Easy to use
- Ideal for demanding tasks

Specifications

EAN	4007140020208
Manufacturer	Ruko
Material	Metal
