Description

The tungsten carbide percussion drill bit measuring 18 mm x 160 mm is an essential tool for drilling into hard materials such as concrete and masonry. Its robust design guarantees durability and efficiency in every use. Compatible with percussion drills, it offers superior performance in professional applications.

- Diameter: 18 mm
- Length: 160 mm
- Tungsten carbide tip
- Suitable for concrete and masonry
- Compatible with percussion drills
- High durability
- Optimal performance
- Advanced technical design
- Ideal for construction and DIY
- Easy handling

Specifications

EAN	4007140020154
Manufacturer	Ruko
Range	Profesional
Material	Metal
