Description

The coffering drill bit made of CV steel 8 x 800 mm is an essential tool for construction professionals. Its robust design allows for precise drilling in coffering materials, ensuring optimal performance with every use. It is compatible with various drilling machines, making it a versatile option for different projects.

- Material: CV Steel
- Dimensions: 8 x 800 mm
- Use: Coffering
- Compatibility: Standard drilling machines
- Durability: High wear resistance
- Applications: Construction and civil engineering
- Type: Drill Bit
- Performance: Precision in drilling
- Design: Robust and efficient
- Maintenance: Easy to clean

Specifications

Colour	Steel
EAN	4007140062116
Manufacturer	Ruko
Range	Profesional
Material	Steel
