Description

The round white Valen ceiling lamp is a modern and efficient lighting solution. With a power of 16 W and a luminosity of 2000 lm, it offers an excellent quality-to-price ratio. Its color temperature adjustment between 2200 and 6500 K allows adapting to different environments. Designed with a protection level IP20, it is resistant to dust and splashes. The ceiling lamp includes a remote control with included batteries, facilitating the control of the lighting. With an estimated lifespan of 20,000 hours, it is a durable and safe option for any space.
