Description

The round white Valen 32 W ceiling light is a modern and versatile lighting solution. With 32 W of power and 4100 lm of luminosity, it offers a homogeneous 360° lighting. The color temperature regulation between 2200-6500 k allows adapting the lighting to different environments. With a luminous efficiency of 128 lm/w, this ceiling light is both efficient and durable. Made of plastic and with IP20 protection, it is resistant to dust and splashes. Designed to be slim, this ceiling light fits perfectly into any space. It includes a remote control with included batteries and has an estimated lifespan of 20,000 hours.

- 32 W power
- 4100 lm luminosity
- Color temperature regulation between 2200-6500 k
- Luminous efficiency of 128 lm/w
- IP20 protection
- Slim design
- Integrated LED
- Includes remote control with included batteries
- Estimated lifespan of 20,000 hours

Specifications

Colour	White
EAN	8721103060822
Material	Plástico

Power (W)	32
Protection	IP20
