Description

The Stacktech Tool Box 3 pieces is a versatile and robust solution for any work environment. With dimensions of 56 x 50 x 83 cm and a capacity of 192 kg, this box is perfect for storing and transporting a wide variety of tools. Equipped with IP65 all-terrain wheels of 22 cm, it is easy to move and adapts to any surface. The telescopic handle facilitates handling and quick access to tools thanks to the central closures and hermetic lid. The steel corners ensure the fixation of additional accessories, and the locks allow a safe and easy disassembly. Made with high-resistance polymer, this tool box is durable and reliable.
