[View product online](#)

Description

The 54 cm. pruning shears are perfect for hedge and green branch care. They feature an adjustable handle and anti-adhesive steel blades SK-5 for a clean cut. The blades have a wavy edge to facilitate cutting and are made of high-carbon steel. The handles are wooden with rubber shock absorbers to reduce excess pressure.

- Length: 54 cm.
- Adjustable handle.
- Upper blade anti-adhesive steel SK-5.
- Lower blade high-carbon steel.
- Wooden handles with rubber shock absorbers.
