Label and Adhesive Remover Spray 200 ml

Brand: MAURER

Reference: AFT 12060370

The 200 ml Label and Adhesive Remover Spray is a product specifically designed for the effective removal of glue, label, and adhesive residues on various surfaces such as glass, ceramics, wood, metals, and plastics. Its advanced formula allows for a high dissolving capacity, making it easy to remove adhered substances without leaving residues. This spray is applied directly to the affected surface, where it works by dissolving the adhesive, and is then wiped off with a clean, dry cloth. It is important to use the product in a well-ventilated area and to wear gloves, a mask, and protective glasses during application to ensure user safety. Its slow evaporation allows for prolonged action time, thus optimizing its effectiveness in removing difficult residues.

Description

The 200 ml Label and Adhesive Remover Spray is an innovative solution designed to tackle the problem of adhesive and label residues on a wide variety of surfaces. This product stands out for its ability to effectively dissolve adhesives, making it an indispensable tool for both professionals and home users. Its non-corrosive formulation ensures that it will not damage treated surfaces, making it suitable for use on delicate materials such as glass and ceramics. Additionally, its spray presentation allows for precise and controlled application, facilitating its use in different contexts.

Technical Features
Capacity: 200 ml
Product type: Adhesive remover spray
Applications: Glass, ceramics, wood, metals, plastics
Properties: High dissolving capacity, non-corrosive, slow evaporation
Recommendations: Use gloves, a mask, and protective glasses

Among the benefits of this spray is its effectiveness in removing difficult residues, saving time and effort in cleaning tasks. Its formulation allows for avoiding excessive scrubbing, reducing the risk of damaging surfaces. Moreover, by not leaving residues, it ensures a clean and professional finish with each application, which is especially important in environments where presentation is key. This product is ideal for a variety of applications, including cleaning labels on glass

products, removing glue residues from wooden furniture, and preparing metal surfaces for painting or coating. Its versatility makes it a valuable option for workshops, homes, and commercial environments where effective and quick cleaning is required.Regarding installation and maintenance, using the Label and Adhesive Remover Spray is simple and straightforward.
