Eolo Rechargeable Folding Desk Fan 5 W

Brand: FULMO

Reference: EDM 33100

The Eolo desk fan is a portable cooling device designed to provide comfort in small spaces. With a power of 5 W and a rechargeable 5000 mAh battery, this fan offers adequate autonomy for prolonged use. Its foldable design allows for easy storage and transport, while its adjustable head and oscillating movement ensure efficient air distribution. Additionally, it features three adjustable speeds and a 4-hour timer, allowing users to customize their experience according to their needs. Made from ABS and PP materials, this fan combines durability with a modern and functional design. Its operation is quiet, with a noise level ranging from 30 to 45 dB, making it ideal for use in offices, bedrooms, or any space where a cool and quiet environment is required.

Description

The Eolo rechargeable desk fan is designed to provide an efficient cooling solution in small spaces, ideal for use in offices, bedrooms, and relaxation areas. This fan stands out for its foldable design, which makes it easy to transport and store, allowing users to take it anywhere without complications. With a power of 5 W and a 5000 mAh battery, the fan delivers optimal performance, ensuring a constant and refreshing airflow. Its USB connection technology allows for easy and quick charging, making it a versatile option for those seeking comfort and functionality.

Technical Features

- Power: 5 W
- Battery: 5000 mAh / 11.1 Wh
- Connection: USB
- Dimensions when unfolded: 20 x 20 x 35-40-45 cm (height adjustable by 10 cm)
- Dimensions when folded: 20 x 20 x 10.4 cm
- Speeds: 3
- Movement: Oscillating
- Noise level: 30-45 dB
- Timer: 4 hours
- Materials: ABS + PP

Among the benefits of using the Eolo fan are its ability to create a cool and pleasant environment, as well as its quiet operation, which allows for use in settings where noise can be a distraction. Additionally, its modern and elegant design adapts to different decorative styles, making it an aesthetic complement to any space. The ability to adjust the speed and direction of the airflow provides additional control over the climate of the environment, enhancing the user

experience.This fan is particularly suitable for various applications, such as use on work desks, dining tables, or even in the bedroom during hot nights. Its portability and ease of use make it an ideal option for those who spend a lot of time in enclosed spaces and want to maintain a pleasant temperature without resorting to more expensive and complex air conditioning systems.

Specifications

Colour	White
EAN	8435654501528
