**Bierzo White Wall Fan 45 W,
Ø43 cm**

Brand: FULMO

Reference: EDM 33103

The Bierzo white wall fan of 45 W and a diameter of 43 cm is a device designed to provide efficient and effective ventilation in enclosed spaces. With a rotation speed of 1200 rpm, this fan features three adjustable speeds and two operating positions: fixed and oscillating. Its mechanical cord control system allows for easy and practical handling, facilitating the adjustment of the fan height according to the user's needs. The safety grille and plastic blades ensure safe and durable operation, while its compatibility with voltages of 220-240 V and a frequency of 50 Hz makes it ideal for use in various electrical installations. This fan is an effective solution for maintaining a cool and comfortable environment in any room, office, or commercial space, ensuring optimal air circulation without compromising safety or energy efficiency.

The Bierzo white wall fan of 45 W is a device designed to offer an effective ventilation solution in different environments. With a diameter of 43 cm, this fan easily adapts to various space configurations, allowing for installation on walls to maximize the use of available area. Its rotation technology at 1200 rpm provides a constant and adjustable airflow, making it a versatile option for maintaining the right temperature in any room. This fan is ideal for use in homes, offices, and businesses, where comfort and efficiency are paramount.

Technical Features
Power: 45 W
Diameter: 43 cm
Speeds: 3 adjustable
Positions: fixed and oscillating
Rotation speed: 1200 rpm
Material: plastic blades
Connections: 220-240 V~50 Hz
Control system: mechanical cord
Safety grille: yes

Among the benefits of using the Bierzo wall fan are its ability to improve air circulation, contributing to a cooler and more pleasant environment. Additionally, its design allows for easy adjustment of the height and direction of the airflow, providing greater customization in its use. The oscillating operation option allows for coverage of a wider area, making it ideal for large or crowded spaces. This fan is particularly useful in applications where effective

temperature control is required, such as in offices, living rooms, or commercial areas. Its sleek and functional design integrates well into any decor, while its efficient performance ensures that a comfortable environment is maintained without excessive energy consumption. The installation of the Bierzo wall fan is straightforward and can be done on different types of walls. It is recommended to follow the manufacturer's instructions to ensure safe and effective mounting.

Specifications

Colour	White
Diameter	43
EAN	8435654500873
Remote control	No
Power (W)	45
Revolutions per minute (RPM)	1200
Type of installation	Surface
Speeds	10001400
Diameter (cm)	43
