12 mm wall drill bit with 3-edge tip

Brand: BLUEMASTER

Reference: EDM 16048

Wall drill bit with a 3-flute monoblock tip geometry and 130° angle, ideal for percussion work. Diameter ø12 mm with 3 evacuation channels that improve the drill's lifespan and accuracy.

Description

Wall drill bit designed for precise drilling in various materials, especially for percussion jobs. Its innovative geometry with a 3-flute monoblock tip and 130° angle ensures centered, round holes with high precision. The drill bit features 3 evacuation channels that improve tool longevity and optimize performance during drilling.

Technical Specifications

- Diameter: 12 mm

This drill bit offers less effort during use, greater durability, and accuracy in every hole. It is ideal for construction and repair applications where precision and efficiency are required. Its design allows efficient use on various surfaces without compromising result quality.

Its easy handling and ergonomics facilitate installation on different types of materials, enabling quick work with consistent results. It is recommended to use it with electric or pneumatic drills to achieve maximum performance during drilling.

Specifications

Diameter	12 mm
EAN	8422798983266
