Description

Permanent marker with alcohol-based ink, designed for hard surfaces with a fine 1 mm tip. It provides clear writing that is water and weather resistant, ideal for both indoor and outdoor use. Its fast-drying ink ensures an even stroke without clogging.

Technical specifications

- Color: Yellow
- Tip thickness: 1 mm

It is commonly used in industrial, educational and office environments where durable marking is required. It is especially useful for signage and writing on smooth surfaces such as metal, plastic and wood.

Recommended for use under appropriate adhesion conditions. Its ease of handling makes it ideal for tasks that require clarity and precision in writing without the need for frequent touch-ups.

Specifications

Colour	Yellow
