Description

White permanent marker Markerpen 5 mm, designed for writing on hard surfaces such as glass, metal and plastic. Its water-resistant and UV light-resistant ink guarantees durability both in indoor and outdoor environments. The fine tip allows for precise and clean writing, ideal for use in laboratories, offices and industrial spaces.

Technical specifications

- Color: White

Its ergonomic design facilitates handling during prolonged periods of use. It is especially useful for marking smooth and dry surfaces where permanent and visible writing is required.

It is recommended to clean with common solvents when necessary. Its fast drying time allows writing without leaving marks or stains on treated surfaces.
