Description

Orange permanent Markerpen marker, made with high-adhesion ink and a nylon tip for clear and durable writing. Designed for water-resistant surfaces and suitable for both internal and external use thanks to its UV resistance.

Technical Features

- Color: Orange
- Length: 12 cm

Its uniform stroke and lack of clogging make it ideal for marking metal, plastic, wood and other common surfaces. Its ergonomic design allows comfortable handling during prolonged use.

Recommended for industrial or professional applications where a visible and permanent mark is required. Easy to clean with common solvents, facilitating reuse in repetitive tasks.
