Description

White IP20 Schuko 3-outlet adapter with built-in switch and protection. Designed for residential and commercial use, it provides compatibility with 2P+T plugs and complies with electrical safety standards. Its construction from durable material ensures longevity and aesthetics in both domestic and industrial environments.

Technical Specifications

- Color: White
- IP20 Protection
- Outlet Type: Schuko (2P+T)
- Number of Outlets: 3
- Includes Switch

Its design allows for efficient energy distribution in spaces requiring multiple connections. It is ideal for work areas, offices, or homes with high electrical demand, offering direct supply control via the built-in switch.

Installation is simple and does not require special tools; it connects directly to an existing outlet. It is recommended for use in dry and water-protected environments to ensure safe and prolonged operation.

Specifications

Colour	White
EAN	8429760824039
Manufacturer	FAMATEL
Protection	IP20
