Description

Portable lamp designed to provide mobile and safe lighting in low-light spaces. It features a screen that allows directing light toward a specific area, ideal for maintenance tasks or manual work. Its construction includes a black rubber handle that improves grip and comfort during use.

Technical specifications

- Power: 100 W
- Maximum voltage: 250 V
- Socket: E27
- Cable length: 5 m
- Handle: black rubber

This lamp is suitable for use in workshops, homes or industrial environments where additional lighting is required. Its ergonomic design facilitates handling over extended periods and offers greater mobility thanks to its 5-meter cable.

Installation is simple: just insert a compatible bulb (not included) into the E27 socket and connect it to an electrical outlet. The built-in clip allows mounting on flat surfaces to keep it in position during use.

Specifications

Bulb not included	No
Cap	E27 - rosca ancha
EAN	8436019852156
Manufacturer	FAMATEL
