Description

Practical and functional portable lamp design, with a 60-watt screen and E27 connection at 250 volts. Its 5-meter cable allows mobility in spaces where flexible lighting is required. The black rubber handle provides a secure and comfortable grip during handling.

Technical Specifications

- Power: 60 W
- Voltage: 250 V
- Connection: E27
- Cable Length: 5 m
- Handle: Black Rubber
- Includes switch and hook for mounting

It is suitable for use in residential, workplace, or industrial environments where mobile lighting is needed. The screen provides bright and uniform light, ideal for tasks requiring good visibility.

Installation is simple: just connect the cable to an electrical outlet and insert a compatible bulb. The hook facilitates mounting on walls or vertical surfaces when necessary.
