## Description

Wall-mounted multiple outlet base with four Schuko 2P+t sockets, designed for residential and commercial use. Features a 1.4 m h05vv-f cable 3g1.5 mm² compatible with voltages between 16 V and 250 V~. Includes a floor switch for remote control and flat Easy Pull plug that facilitates inserting and removing plugs.

Technical Specifications

- Cable Length: 1.4 m
- Color: White
- Rated Voltage: 16 V to 250 V~
- Connections: Schuko 2P+t
- Cable: h05vv-f 3g1.5 mm²
- Switch: Floor switch
- Plug Type: Flat Easy Pull
- Lower cavity for cable management
- Extra-separated socket for transformers or adapters

Its bicolor white and black design adapts to various decorative environments. It is especially useful in studios, offices, or living rooms where multiple connections are needed without compromising aesthetics. The extra separation on one of the sockets allows comfortable use of transformers or adapters.

It installs easily into walls and offers convenient access to outlets thanks to the floor switch. The base facilitates cable handling and improves electrical organization in technology spaces.
