Description

Multiple outlet base with 6 Schuko sockets 2p+t designed for residential and office installations, providing a practical and safe solution to connect multiple devices. Its h05vv-f cable 3g1,5 mm², 1.4 m long guarantees efficient power transmission within a compatible voltage range of 16 V to 250 V~. The floor switch allows convenient control of the electrical supply.

Technical Specifications

- Cable Length: 1.4 m
- Color: White
- Socket Type: Schuko 2p+t
- Voltage Range: 16 V to 250 V~
- Cable: h05vv-f 3g1,5 mm²
- Switch: Floor

Its bicolor white and black design facilitates integration into different environments. The cable management cavity helps keep cables organized and avoids clutter. It is suitable for spaces requiring multiple connections without the need for additional extensions.

Installation is simple, whether placed on a flat surface or mounted on an electrical board. Its modular construction allows easy integration and use in various environments.

Specifications

Colour	White
EAN	8412852953755
Manufacturer	Simon
Long	1.4 m
