### Description

Multiple outlet base designed for domestic and industrial installations, with three Schuko sockets of 16 to 250 V~ and two USB ports (type A and C) compatible with fast charging up to 15.5 W. Includes a 1.4 m cable with flat Easy Pull plug and a bicolor white/black illuminated foot switch. Its construction in resistant material ensures durability and safety for daily use.

### Technical Specifications

- Cable Length: 1.4 m
- Color: Black
- Country of Origin: Spain
- Weight: 16 kg
- Schuko Sockets: 3 units (16 to 250 V~)
- USB Outputs: 1 type A and 1 type C with fast charging up to 15.5 W
- Switch: Illuminated foot switch
- Cable Management Cavity: Yes

Its compact design allows easy integration into small spaces without compromising functionality. It is suitable for offices, living rooms or areas with high electrical demand where multiple secure and aesthetic connections are needed.

Installation is simple thanks to its Easy Pull plug and ergonomic structure. The lower cavity facilitates

cable handling, improving the organization of the environment and maintaining a clean and professional appearance.
