Description

Multiple outlet base with IP44 protection designed for installations in humid environments. It features 5 Schuko sockets 2p+t, a 1.4 m long cable with a section of 3x1.5 mm². Includes a lighted switch and child safety function for enhanced protection. Its compact design allows easy wall or surface mounting.

Technical Specifications

- Cable Length: 1.4 m
- IP Protection: IP44
- Color: Black

Facilitates the connection of multiple devices safely and comfortably in spaces requiring water resistance, such as bathrooms or kitchens. Its Schuko socket system ensures a safe and efficient installation.

Can be mounted both on the wall and on surfaces using screws or hanging brackets. Its compact size makes it suitable for small spaces without compromising functionality.

Specifications

Colour	Black
EAN	8412852837604
