Description

Double flush mount switch without frame with flip buttons and quick crimping system up to 2.5 mm². Designed for safe connection and disconnection of circuits in residential and industrial installations. Manufactured with high-quality materials, including graphite in the contacts for durable performance.

Technical Features

- Rated Current: 10 A
- Rated Voltage: 250 V~
- Frequency: 50/60 Hz
- Contact Material: Graphite
- Maximum Wire Cross-Section: Up to 2.5 mm²
- Protection: IP40
- Halogen-Free: Yes

Its compact design facilitates installation in tight spaces. It is compatible with various types of cables and integrates easily into existing electrical systems, offering an efficient solution for circuit control.

The installation is simple thanks to the quick crimping system that allows fast and secure wiring connection. It is recommended for use in dry and protected environments, complying with current electrical safety regulations.

Specifications

EAN	8423220235175
Halogen-free	Yes
Protection	IP40
