Description

Flush mount Schuko with two-pin connection plus earth terminal, designed for wall mounting using screws. Includes mechanism, cover and frame in mounted format, with a metal bracket that ensures safe and durable fixation. Its minimalist white design adapts to modern environments without overloading the visual space.

Technical Specifications

- Mounted piece format: mechanism, cover and frame included
- Connection: Schuko 2P+T
- Rated current: 16 A
- Maximum voltage: 250 V
- Bracket material: metal
- Mounting system: screw fixing
- Design: minimalist style with straight lines
- Quantity per unit: 5 pcs

This base is suitable for residential and commercial installations where a secure and aesthetic connection is required. It facilitates integration into any decoration without imposing intrusive visual elements.

Installation is easy thanks to the screw mounting system, ideal for pre-prepared walls. It is recommended to use it with compatible sockets for optimal performance and safe connection during

daily use.
