Description

White horizontal retractable frame of 7.5 x 21.7 cm, designed for discreet installation in indoor environments. Its compact and elegant structure adapts to spaces where a functional solution is required without compromising style. Manufactured with high-quality materials, it offers durability and resistance to daily use.

Technical specifications

- Dimensions: 7.5 x 21.7 cm
- Series: Simon73 Loft
- Color: White
- Installation type: Retractable

This product is commonly used in indoor environments, combining style and functionality. Its horizontal design allows easy integration with other decorative or lighting elements, facilitating the creation of modern and coordinated spaces.

Installation is simple thanks to its retractable mechanism, which allows placing and adjusting the product in the designated space without the need for additional tools. Its compatibility with the Simon73 Loft series ensures a consistent solution within the same decorative system.

Specifications
