Description

Retractable frame with base and surface from the Simon 73 Loft series, designed for horizontal applications in modern environments. Its static structure allows easy handling and quick assembly without additional tools. The shared mechanism of the Simon 73 line offers a functional and elegant solution for compact spaces.

Technical specifications

- Dimensions: 7.5 x 21.7 cm
- Color: Graphite
- Number of elements: 3 elements

Its minimalist design and graphite finish integrate easily into modern or neutral interior environments. It is ideal for applications requiring a compact yet durable solution, maintaining a clean and professional appearance.

Installation is simple thanks to the integrated retractable system that allows fast and precise adjustments. It is recommended for use in interiors with modern or neutral finishes to maximize the aesthetic of the environment without compromising functionality.
