Description

Modern and functional thermoplastic lamp holder with a matte black finish. Manufactured from high-resistance thermoplastic material, offering durability and easy maintenance. Its smooth and elegant shape adapts to any indoor environment, from homes to commercial spaces.

Technical Specifications

- Cap: E27
- Color: Black

This lamp holder is compatible with E27 type bulbs, allowing easy installation and use in most standard luminaires. Its thermoplastic construction ensures mechanical and chemical resistance, as well as ease of cleaning.

Recommended for indoor applications where an aesthetic and durable solution is required. Installation is simple thanks to its standard design and direct connection to the electrical system.

Specifications

Cap	E27 - rosca ancha
