Description

PU-49 polyurethane adhesive designed for attaching roof tiles. Its advanced formulation provides excellent adhesion and wind resistance, ideal for harsh weather conditions. The gray color improves visibility during application.

Technical Features

- Color: Gray
- Volume: 750 ml
- Application: with gun
- Wind and aging resistant
- High adhesion power

This foam is recommended for roof tile installations, offering a durable and effective solution. Its easy application allows fast and precise work, ensuring perfect adhesion between surfaces.

The expansion of the foam when expelled ensures filling of empty spaces, improving performance in horizontal or sloped applications. It is advised to apply in dry environments at room temperature for optimal results.

Specifications

Colour	Grey
EAN	8425589014965
Manufacturer	PENOSIL
Capacity (ml)	750 ml
