Description

White 4-way retractable modular adapter designed for safe and efficient connection in modular systems. Its durable construction and white finish make it suitable for technical environments where aesthetics and functionality are required. This product facilitates cable management in confined spaces thanks to its compact design.

Technical Specifications

- Dimensions: 3.7 x 1.7 x 2.5 cm
- Color: White
- Weight: 3.7 kg

It is commonly used in electrical and network installations where cable organization is fundamental to maintaining a professional and tidy appearance. It is especially useful in spaces with limited physical space.

Installation is simple, without the need for special tools, allowing quick implementation in any technical environment. Its retractable design offers greater ease of handling during cable connection and disconnection.

Specifications

High	3.7
Colour	White
EAN	8425998550030
Measures	3.7 x 1.7 x 2.5
Weight (kg)	3,7
