Description

The child's tool box with sliding lid is designed to encourage manual skills and safe manipulation in children. Made from durable wood, it includes a complete set of age-appropriate tools that promote learning through play. Its solid construction ensures durability during educational or recreational activities.

Technical specifications

- Height: 28 cm
- Width: 11.5 cm
- Dimensions: 28 x 11.5 cm
- Includes locksmith hammer, pliers, water pump pliers, 1 m folding ruler, set of 6 double fixed keys, metal saw with wooden handle, 2 nylon screws with 40 mm opening, 28 x 11.5 cm sandpaper and reversible cross and flat screwdriver

This box is ideal for school workshops or home activities, allowing children to develop practical skills in a safe and didactic way. Its compact design facilitates storage and transport without compromising functionality.

Its use is recommended under adult supervision to ensure proper and safe handling of the included tools, guaranteeing a positive and controlled educational experience.
