Description

3 mm thick MDF table designed for handicraft and model-making projects. Made with high-quality materials that facilitate its use in artistic and educational applications. Its smooth surface allows easy painting, nailing and gluing, making it a versatile option for students and creators.

Technical specifications

- Material: MDF (medium density fiberboard)
- Thickness: 3 mm
- Dimensions: 40 x 60 cm
- Weight: 2.73 kg

It is commonly used in art workshops, school projects and model making. It easily adapts to various creative needs without requiring special tools for basic handling.

It is recommended to keep it in a dry environment to extend its useful life. It is wear-resistant and easy to clean, making it suitable for frequent use in educational or artistic environments.
