Description

Drawer pull handle in aluminum with titanium finish, designed for simple and durable installation. Its lightweight material construction offers corrosion resistance and a modern look that adapts to any interior environment. Ideal for kitchen doors and cabinets, wardrobes, and storage furniture.

Technical Specifications

- Material: Aluminum
- Finish: Titanium
- Dimensions: 16.1 x 1.3 x 2.7 cm
- Hole Spacing: 96 mm
- Includes M4 screws for mounting

Its compact and functional design allows easy installation on solid surfaces, facilitating access to tight spaces. The combination of durability and aesthetics ensures long-lasting performance without compromising the style of the space.

Recommended for applications requiring secure and durable opening. Installation is quick thanks to included screws, allowing immediate assembly after placement.
