Description

The drawer pull handle type knob model 572 is manufactured in zamak with a chrome matte finish, combining durability and aesthetics in a modern design. It is ideal for door decoration, kitchen or bathroom cabinets, offering a functional and elegant solution. Its construction from durable material ensures long-term use without loss of visual quality.

Technical Features

- Material: Zamak with chrome matte finish
- Measurements: 12.4 x 1.1 x 2.5 cm
- Distance between mounting points: 96 mm
- Includes metric thread M4 screws

Its minimalist design adapts to any interior style, allowing easy integration into high-end furniture. It is especially useful for applications where a functional yet refined aesthetic accessory is required.

Installation is quick and secure thanks to the included M4 screws and standard hole spacing, ideal for solid and well-prepared surfaces. Recommended for indoor environments where both durability and visual finish are valued.
