Description

Drawer handle type lever in zamak with leather old finish, model 1101. Designed for interior furniture doors and drawers, it offers an ideal combination of strength, aesthetics, and functionality. Its durable material construction makes it suitable for continuous use in domestic or commercial environments.

Technical Specifications

- Diameter: 64 mm
- Measurements: 12.8 x 1.7 x 2.2 cm
- Materials: Zamak with leather old finish
- Includes M4 screws for installation
- Distance between mounting points: 64 mm

Its minimalist design allows integration into a wide variety of furniture, from wardrobes to shelves. It is especially useful in applications where an elegant finish is desired without compromising the durability of the material.

Installation is quick and simple thanks to the included M4 screws. It is recommended for use on solid surfaces compatible with the provided mounting system, ensuring a secure and durable fixture during prolonged use.
