Description

Wall clock with a minimalist black and white design, ideal for decorating modern spaces both residential and commercial. Its 21.5 cm diameter offers a balanced presentation that adapts to different environments without overwhelming the space. It operates using an AA battery (not included), allowing quick and easy installation without electrical connection.

Technical specifications

- Diameter: 21.5 cm
- Length: 21.5 cm
- Operates with AA battery (not included)

Its classic and modern style makes it compatible with contemporary decor. It is especially suitable for living rooms, bedrooms or offices where a combination of functionality and aesthetics is sought. Its compact size ensures visibility without occupying much visual space.

Installation is straightforward: simply hang the clock on the wall and secure the bracket. No special tools or additional configurations are required, making it ready to use immediately upon receiving the product.
