Description

White and gray wall clock with a 30 cm diameter, designed to integrate easily into modern spaces. Its minimalist style combines a white background with a gray-toned frame, offering a clean and versatile appearance that adapts to residential or commercial environments. It operates on AA batteries (not included), allowing for installation without electrical connection.

Technical Features

- Diameter: 30 cm
- Length: 30 cm
- Operates with AA batteries (not included)

Its functional design makes it suitable for use in offices, living rooms, or bedrooms. Its compact size allows easy placement even in small spaces without overwhelming the environment.

Installation is simple and quick thanks to the included accessory. You only need to mount the clock on the wall, making it ready for immediate use after placement.
