Description

The premium privacy and shade mesh in anthracite color is a durable solution for outdoor spaces, ideal for creating private zones or solar protection. Manufactured from high-density polyethylene (HDPE) with UV-resistant treatment, it offers excellent durability and mechanical resistance. Its grammage of 230 g/m² $\pm$ 5% provides a thick and uniform finish that resists wear and breakage.

Technical Features

- Dimensions: 4 x 4 m
- Grammage: 230 g/m² $\pm$ 5%
- Material: High-Density Polyethylene (HDPE)
- Color: Anthracite
- Treatment: UV-Resistant
- Mechanical Resistance: High

Its design allows for easy installation in fences, pergolas, and fencing. It is especially useful for architectural and landscaping applications where solar protection or privacy is required without compromising the aesthetics of the environment.

The mesh includes integrated grommets along the edges that facilitate its fixation without the need for additional tools, speeding up the assembly process and improving its versatility in various installation contexts.

Specifications

Colour	Anthracite
EAN	8435584425093
Manufacturer	FUN AND GO
Measures	4 x 4
