### Description

White and black wall clock with a diameter of 21.5 cm, designed to offer functionality and style in modern spaces. Its square format allows easy integration into any residential or commercial decoration, combining minimalist elegance with clear time reading.

#### Technical Features

- Diameter: 21.5 cm
- Length: 21.5 cm
- Battery operated with AA battery (not included)

Its contrasting design facilitates easy time reading in any well-lit environment. It is suitable for use in living rooms, bedrooms or hallways where a decorative and practical solution is required.

Installation is simple: just attach the clock to the wall using the included screw. No additional tools or electrical connection are needed for operation.
