Description

550 W impact drill with cable, designed for drilling in resistant materials such as concrete, steel and wood. It offers variable speed up to 2800 rpm and 47.600 impacts per minute, ensuring efficient performance in construction and repair work. Its compact and ergonomic design facilitates handling during prolonged use, weighing approximately 2 to 3 kg.

Technical Specifications

- Power: 550 W
- Maximum drilling diameter: 13 mm
- Speed: 0-2800 rpm
- Impacts per minute: 47.600 ipm
- Weight: approximately 2-3 kg

This drill is ideal for masonry, wood and metal applications thanks to its impact system that allows precise and controlled operation. It includes two standard bits that increase versatility for different types of work.

It is recommended to use it following the manufacturer's instructions, especially on delicate surfaces. Keeping the equipment in good condition and using appropriate protection ensures safe operation and extends its useful life.

Specifications

Diameter	13 mm
EAN	5035048680391
Manufacturer	BLACK+DECKER
Weight (kg)	aproximadamente 2-3 kg
Power (W)	550
Revolutions per minute (RPM)	2800
