Description

Cabinet handle in metal zamak with black matte finish, designed for interior doors and drawers. Its robust construction ensures durability and wear resistance, while its minimalist aesthetic adapts to various decorative environments. It is a functional solution that combines simplicity and quality in design.

Technical Specifications

- Material: METAL (zamak)
- Color: Black Matte
- Dimensions: 40 x 8 x 24 mm
- Mounting hole spacing: 32 mm
- Includes M4 metric screws for easy installation

Its compact size makes it suitable for furniture with limited space, facilitating seamless integration. It is especially useful in interiors where a visually attractive and functional solution is desired.

Installation is quick and simple thanks to the included screws, allowing immediate incorporation without additional tools. Its neutral design facilitates its use in various decorative contexts, both classic and modern.
