Description

Aluminum cabinet handle with black matte finish, designed for furniture doors and drawers. Its lightweight yet durable construction offers longevity and modern aesthetics. Ideal for kitchen cabinets, wardrobes or any surface requiring a functional and elegant handle.

Technical Specifications

- Material: Aluminum
- Color: Matte Black
- Dimensions: 150 x 9 x 17 mm
- Diameter: 128 mm
- Hole Spacing: 128 mm

Its compact design allows easy integration into any type of furniture without compromising aesthetics. The matte surface provides a sophisticated and wear-resistant finish. Compatible with standard installations thanks to included M4 screws.

Recommended for high-quality furniture projects seeking a functional, durable and visually clean solution. Installation is simple and quick, ideal for professionals or users who require a professional result with minimal technical complexity.
