Description

Drawer and cabinet handle in aluminum with a white matte finish, designed for doors and drawers of furniture. Its construction from lightweight yet durable material offers longevity and modern aesthetics. Ideal for kitchens, bathrooms or bedrooms where a functional and clean design is required.

Technical Specifications

- Material: Aluminum
- Color: White Matte
- Dimensions: 180 x 25 x 30 mm
- Hole Spacing: 160 mm
- Depth: 3 mm

Its minimalist design adapts to any decorative style, maintaining an elegant appearance without compromising functionality. The matte surface avoids marks and fingerprints, making maintenance easier.

Installation is quick and simple thanks to the included M4 screws, allowing secure mounting without additional tools. Recommended for interior furniture where a practical and aesthetic solution for door or drawer closure is needed.
